ABOUT SAUDI INFRASTRUCTURE SUMMIT

Date: 11-12 September 2023

Registration & Networking Reception: 12:30 - 14:00

Time: 14:00pm – 18:00pm

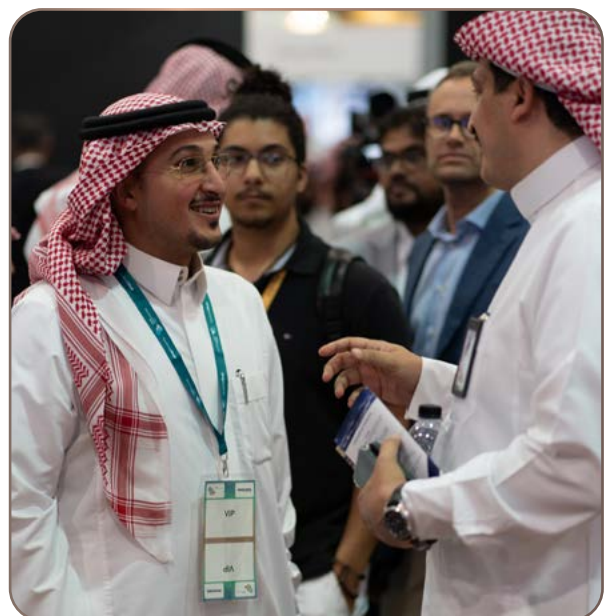

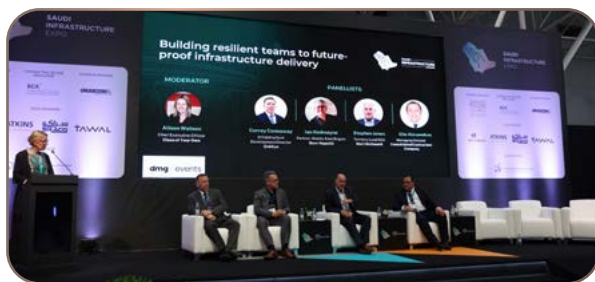

Venue: Auditorium, Riyadh International Convention & Exhibition Center (RICEC)

Key Objectives:

- Foster dialogue among government bodies, industry leaders, and innovators to overcome challenges and seize opportunities.
- Showcase success stories, best practices, and transformative projects that align with Saudi Vision 2023.
- Drive partnerships and collaborations that accelerate infrastructure development and enhance societal well-being.
- Provide delegates with actionable insights, thought-provoking discussions, and networking opportunities.
- Explore the nexus of innovation, technology, and infrastructure to drive sustainable growth.

Summit Highlights:

- Engaging Panel Discussions: Thought-provoking sessions featuring industry experts, policymakers, and visionaries addressing critical topics.
- Fireside Chats: Impactful conversations with influential leaders, offering unique insights into key challenges and trends.
- Networking Opportunities: Connect with peers, potential partners, and industry leaders during dedicated networking breaks.
- Exhibition: Explore a showcase of innovative solutions, cutting-edge technologies, and projects shaping the future of infrastructure.
- Advisory Board: Benefit from the expertise and guidance of distinguished advisory board members shaping the summit's content.

ADVISORY BOARD

The Saudi Infrastructure Summit is honoured to be guided by a distinguished Advisory Board composed of industry leaders, visionaries, and experts who are playing a pivotal role in shaping the infrastructure landscape in Saudi Arabia and beyond. Their extensive knowledge, insights, and experience ensure that the summit's content is relevant, impactful, and aligned with the nation's ambitious goals.

The collective expertise of our advisory board ensures that the Saudi Infrastructure Summit offers a platform for insightful discussions, innovative ideas, and collaborative strategies that will drive the nation's infrastructure transformation in line with Saudi Vision 2030. We express our gratitude for their dedication and contributions to making this summit a resounding success.

Meet Our Advisory Board Members:

Abdulelah Al Alsheikh
Country Director
JACOBS

Matt Beach
SVP and NEOM
Region Director
**Saudi Arabian
Parsons Limited**

Neal Coote
Group Head of
Infrastructure,
Projects Delivery,
Red Sea Global

Mark Dyson
Head of Infrastructure
Turner & Townsend

Haytham Honjol
Head of Strategy
Ceer Motors

**Dr. Paul James
McKeown**
Chief Operating Officer
**HanmiGlobal -
